Turnkey - A Total Refurbishment Solution from Keystage Design - This pseudo web page provides examples of some of the refurbishment projects recently undertaken. Our **turnkey** service is a holistic experience encompassing and managing all relevant Professional trades and supportive consultation. **Turnkey** is fully supported by our superior design skills and experienced project management capability. Like all other Keystage support services - the design and project management is totally free!

For further information visit our web site www.keystage.com or contact our sales team on 01942 526 201.
